GOING WHERE THE WORK IS

INSTITUTE OVERVIEW

Focus On Results' Winter Institute 2010 will focus on **Going Where the Work Is**. In two days of carefully designed school visits and institute sessions, participants will be involved in seeing first-hand the real, practical strategies and tools that school and district leaders use to improve results and increase achievement in all schools Pre-K to Grade 12.

Winter Institute 2010 participants will:

- Share practices, concrete tools and strategies used by schools and districts who have focused their work and are seeing measurable gains in student learning;
- Examine LEADERSHIP qualities that help schools and districts get RESULTS; and
- Meet with school and district team members in order to take key institute learnings and apply them to their own local settings.
